Dear Karen, 1/27/75

The room is not de luxe but it will hold two, as will the Daveno in it. Washington is a little more than an hour away, to down town. No traffic lights to their, either. Or, there are two decent motels and several with individual cabins costing about a third as much all less than 10 minutes from here.

Don't waste your time on the CTIA.

Howard Roffman found a contemporaneous analysis I did on Tonkin Gulf that might interest you. I gave him all the old files. He returned this.

Classes come first, remember. Best,
